PARK CITY.

SILVER JUBILEE.

St. Mary's of the Assumption Celebrate Twenty-fifth Anniversary.

It is just a quarter of a century ago since St. Mary's school made its humble beginning in Park City, and the event was celebrated at the school yesterday afternoon, being attended by a large number of parents of the pupils and friends of the institution, among the latter being found pupils—men and women—the city and county officials, representatives of the Ancient Order of Hibernians, the Knights of Columbus and the Brotherhood of Elks. Right Rev. Bishop Scanlan was the guest of honor. Father Galligan and Rev. Dean Harris of Toronto, Canada, were also present. The Silver Jubilee was celebrated in the last of the decorations of the school, and the dainty program of the event were printed in silver.

The exercises, every number of which was rendered and recited, opened with the chorus "Saint Mary's Day," by the school. In an opening address entitled "Our Hearts' Hero," Miss Julia Holland paid special tribute to the beloved Bishop Scanlan, who came here before Park City was a city, and by whose efforts the school was established.

After an instrumental selection, "Chimes of a Villa Mater," by Mary Towey, there was delivered by Master Leo Shields in an able manner for one so young, a well prepared address entitled "Silver Echoes," which was reminiscent of the achievements of the school during the past twenty-five years, and in which tribute was paid to the Sisters for their devoted and zealous labors, as well as to Bishop Scanlan and Father Galligan.

"A Jubilee Song" was rendered by the vocal class, and as a connecting link between the old and new, there was admirably rendered by Miss Mary Shields, one of the advanced students in music, a difficult classical selection on the piano entitled "Polonaise" by Chopin, which showed her marked ability and careful training.

A cute recitation in concert, entitled "The Minuet," was pleasingly given by the minims, and an instrumental selection by organ, entitled "Light on the Hudson," was performed by Miss Julia Holland.

"Mystical Gifts to St. Mary's" was the subject of a pretty dialogue in costume, rendered by Misses Mary McDonald, Lubeck, Jennings and C. Towey, representing the spirits of Music, Love, Gratitude, Poetry and Prayer, accompanied by the Guardian Angel, about to depart to pay tribute to "St. Mary's Jubilee," and lay flowers on the shrine of St. Mary's.

"Sparkling Waves," a chorus, was sung by the juniors and minims, followed by a patriotic skit entitled "The Flag We Love," by little boys, each of whom carried the national emblem. It was pretty done and brought hearty applause.

Mrs. M. and L. Gray gave an instrumental selection, after which was the "Literary Conference," by Masters L. Shields, P. Rolley, J. Holland, C. Vist and G. Farrell, representing the distinguished authors, Newman, Webster, Scott, Hale and Longfellow.

The beautiful poem, "Rock Me to Sleep," was recited in concert by several of the larger girls, and the able piano accompaniment by Miss Mary McDonald, Lubeck, Jennings and C. Towey, representing the spirits of Music, Love, Gratitude, Poetry and Prayer, accompanied by the Guardian Angel, about to depart to pay tribute to "St. Mary's Jubilee," and lay flowers on the shrine of St. Mary's.
